

# Barracuda Banner Stand

This premium banner stand is quick to put up, easy to use and is built to last. The graphic can easily be replaced when you need to change your marketing message. The base is covered by a 10-year guarantee.

- Deep base design with stylish end mouldings that holds the banner stand stable.
- Secure slide in graphic system - allowing you to change the graphic to suit different events and applications.
- Graphic is printed using UV stable inks so the colour impact will last for years.
- Printed onto premium lightstop material - to stop the graphic looking faded when placed in front of bright lights or windows.
- Finished with a crystal laminate to protect the graphic from scratching and liquid splashes.
- Supplied with quality foam padded carry bag, helping to protect the stand when transported or whilst being stored.
- Optional lighting package - Illuminating your brand in dark venues or to highlight your offer.
